

**Calling all current and former students of Mr. Truman!**  
**(Central School third grade teacher)**

For our beloved Mr. Truman's retirement, we are honoring him with a video compiled of short messages from all his students. Please take a video (30 seconds maximum, allowing two seconds at the beginning and end for editing) using a .mov (from apple devices) or a .mp4 format and shoot horizontally.

First, state your name and age, then answer any/all of the following:

1. What was your favorite thing about his class (auction, block it, Truman Tuesday Travels, etc.)?
2. What makes him such an exceptional teacher?
3. What do you think he will/should do in retirement?

Please email your videos to [trumanvideo2018@gmail.com](mailto:trumanvideo2018@gmail.com) by April 30th, 2018.

Finally, in lieu of a retirement celebration (since he deeply dislikes being the center of attention), Central's PTA is accepting donations for the Central School Garden in Mr. Truman's name. The vegetable garden will be renamed in his honor to recognize his years of love and support of the garden. Here is the link to donate\*: <https://www.paypal.me/CentralSchoolGarden>

\*This link is only for donations in Mr. Truman's honor. We will be providing a list of who donated to Mr. Truman. If you would like to put a note in the comments section, we will be including those in our list to Mr. Truman as well.

If you have any questions please email Kerry Brown Hasbrook ([kbh1003@gmail.com](mailto:kbh1003@gmail.com)) or Carolyn Cornwell ([carolynhc@gmail.com](mailto:carolynhc@gmail.com)).

Please pass this along to anyone you know who had him and beg your kids to contribute to this meaningful gift!
