

HELPFUL INFORMATION FOR FAMILIES NEW TO D39

This is in no way intended to be a comprehensive list or an endorsement from D39. This is merely one family's attempt at easing new families' transitions to this wonderful district. WELCOME!

Wilmette Park District is involved with much of Wilmette's happenings. This is where you can purchase a pass to Gilson Beach and Centennial Pool, enroll in classes of all types for your whole family, and enroll in kids' sports. Check out their website to see all of their offerings (www.wilmettepark.org).

The elementary schools offer after school activities through Wilmette Park District. At Highcrest Middle School and Wilmette Junior High School, students can participate in team sports like wrestling, basketball, field hockey, and cross country. Finally, the Science Olympiad is also offered on both competitive and non-competitive levels.
